**II UKRAINIAN CONGRESS FOR TEACHERS OF MORALLY AND SPIRITUALLY ORIENTED  
SUBJECTS**

**The aim of the congress:** to share the experience, theoretical and practical achievements in teaching and regulating sphere of financial, methodological, law aspects of teaching morally and spiritually oriented subjects in Ukrainian education system.

**The tasks of the Congress:**

- to provide the opportunity for direct communication among all the participants that are interested in the education process (teachers, parents, authorities, etc.);
- to discuss the main problems and the ways to solve them in the process of teaching morally and spiritually oriented subjects in Ukrainian Secondary schools;
- to work on a resolution with the recommendations for the actors of educational process.

**It is planned to discuss the following issues:**

- Practical methodological implementations for morally and spiritually oriented subjects;
- European experience of cooperation between public, religious institutions and state in the sphere of teaching morally and spiritually oriented subjects;
- Innovative methods of work with children: new methods, problems in implementation and working experience;
- Public and methodological councils of teaching morally and spiritually oriented subjects;
- Institutions for the training of teachers of spiritually and morally oriented subjects.

**The format of the Congress presupposes only live discussions, without paper presentations. The communication between the participants about burning issues is welcomed. Experience exchange and development of the resolution elements**

**and recommendations both as for the state bodies and as for the colleagues are expected.**

**Within the congress the participation of the representatives of Ministry of Education, National Academy of Pedagogical Sciences of Ukraine, National Pedagogical Dragomanov University are planned, Public Council in Questions of Cooperation with Churches and Religious Institutions under Ministry of Education of Education, Higher Educational Establishments, representatives of churches and religious organizations, the heads and representatives of public councils for teachers of morally and spiritually oriented subjects.**
