

## GENERAL PROCUREMENT NOTICE

**Project name:** Energy Efficiency Improvement of Educational Buildings of the Dragomanov National Pedagogical University in Kyiv (part of Ukraine Higher Education Project)

**Country:** Ukraine

**Sector:** Energy Efficiency

**Funding sources:** NEFCO, Dragomanov University

**Procurement:** Works, goods and services

**Notice type:** General Procurement Notice

**Issue date:** 12 June 2020

**Closing date:** 11 June 2021 at 23:59 Kyiv time

The Dragomanov National Pedagogical University in Kyiv, Ukraine, intends using the proceeds of a loan from Nordic Environment Finance Corporation (NEFCO), towards the costs of a project aimed at improvement of energy efficiency of University's educational buildings, dormitories, and sports facilities. This is a sub-project of the Ukraine Higher Education (UHE) project that is aimed at reducing the running costs of participating state higher education institutions, and improving the quality of teaching, learning, and academic research facilities. The UHE project is co-financed by European Investment Bank ("EIB") and Nordic Environment Finance Corporate ("NEFCO"). The borrower is Ukraine represented by the Ministry of Finance and the Ministry of Education and Science.

The investment program, which has the total estimated cost of 9.8 MEUR (excluding VAT), will require the procurement of the following works, goods, and services for approximately 12 university buildings. It is envisaged to implement the project in four lots. However, the final number of lots and buildings to be refurbished during implementation of this sub-project will be defined at a later stage in order to match the total investment cost. In principle for each of the buildings, it's foreseen to implement the following measures

- Replacement of existing obsolete doors and old windows with the new and more energy efficient ones
- Thermal insulation of foundation walls, basement ceilings, and roofs
- Rehabilitation of heating systems
- Modernization of ventilation system
- Modernization of lighting system, etc.

Tendering started in the third quarter of 2019 and continues in 2020.

Contracts to be financed with the proceeds of a loan from NEFCO will be subject to the NEFCO Procurement Guidelines and will be open to firms from any country.

The proceeds of the NEFCO loan will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law or official regulations of Ukraine.
